01

About Us

About Us

RU Shopping is the exclusive **online marketplace app** for the Rutgers community, offering a **safe and convenient** platform for students to **buy and sell products** directly with their peers. We provide a trustworthy alternative to public sites by guaranteeing **faster, safer, and easier** transactions right here on campus.

A solid red background featuring a large, thin white circle that is not fully closed, with two small white dots on its circumference. The text is centered within the circle.

02

Market Research

Market

COMPETITORS Research TAKEAWAYS

Etsy

A **global** marketplace for handmade, vintage, and custom goods, driven by independent creators.

ebay

A **global** auction-based and resale platform offering a wide range of new and used products.

depop

A **global** social-commerce platform centered on fashion resale and Gen Z-driven trends.

Facebook Marketplace

A **global** peer-to-peer selling platform focused on hyper-local exchanges and convenience.

Global = competition, so what if we eliminated that...

Key Issues within these

- High fees reduce seller profitability
- Oversaturated platforms hurt visibility
- Inconsistent seller quality lowers trust
- Limited buyer protection increases risk

Big 4

What does the consumer need?

1.TRANSACTION SAFETY AND SECURITY

2.SMALL BUSINESS ACCESSIBILITY

3.SHORT DELIVERY WITHOUT FEES

4.LOW PRICES

A solid red background featuring a large, thin white circle that is mostly visible as an arc on the left and right sides. Two small white dots are positioned on the circle's circumference, one near the top right and one near the bottom left.

03

Our GTM Strategy

Our Strategy

Pricing - set by sellers and has **no delivery fees**, revenue is through ads and **small transaction fees**

Place - accessed through website and mobile, **direct-to-customer** marketplace with no intermediaries

Promotion - flyers, social media posts, word-of-mouth, and **consumer statements**

Customer retention - rewards programs and membership perks, and **strong moderation** and **safety measures** so that the platform is trustworthy

04

Positioning and Messaging

What RU Looking For?

Messaging:

- Convenient
 - Sellers don't have to adjust their lifestyle, unlike other online retailers
- Trustworthy/Safe
 - Student ID authorization
- Helpful
 - More seller satisfaction, as they will know who they are selling to and helping

Brand Voice:

- Rutgers-student Oriented
 - Safe
 - Affordable
 - Localized

Core Values:

- Security
- Sense of community
- Sustainability

05

Pricing Strategy

Pricing

Individual sellers on our site will have **total control** over setting the price of their items. Prices are determined by each seller's perceived value of their items.

Platform Operating Expenses:

Fixed Costs

(\$250/month)

Making the website (\$750), Marketing and Advertising
Maintaining the website and business software (\$50/month),
payment processing fee (2.9% of each sale)

How We Make Money:

- 10% commission on *each sale*
- \$5 monthly subscription fee *to sell* on our website
- Advertising revenue from people who want to *promote* their listings, as well as from *third-party advertisers*

Launch Plan and Post-Launch Plan

Launch Plan

1. **Pre-Launch**: Create social media accounts & post teasers, waitlist page, partner with official Rutgers clubs, & beta test with verified student sellers
2. **Planning**: Set goals & KPIs (3,000 visitors, 1,000 followers, 85% positive user feedback, 3% conversion rate or higher)
3. **Content Creation**: Tiktok/IG Reels with student clubs & businesses, student email newsletters, campus flyers with QR codes
4. **Launch**: Make the website live & accessible to all students, promote the app, get the first sellers up, ensure safety and monitor early user feedback

Post-Launch Plans

1. Maintain **consistent** social media engagement
2. Feature trending & new items, along with **seller spotlights** to boost visibility
3. Continue improving **safety** features: verification, moderation, and scam-prevention
4. Introduce **user-incentives**: referrals, rewards, top-seller perks
5. Monitor KPIs and update based on **user feedback**
